## Experience

### JUN 2025 - OCT 2025

TRADE ATTACHÉ OF INDONESIAN EMBASSY IN CANBERRA, AUSTRALIA

#### Internship Fullstack Web Developer

As a Fullstack Web Developer in the Internship program, I built the "Taste of Indonesia" e-commerce platform and the "Prosperity Expo" event system using Laravel and MySQL, implementing Google Auth, an integrated ordering system, and QR-based event registration while optimizing UI/UX and managing database migrations for a seamless user experience.

### 2024 - Present

B11N - K1NG Gym Purwokerto

#### CTO (Chief Technology Officer)

Spearheaded the business's digital transformation by architecting a custom Gym Management System to streamline daily operations. Led the end-to-end development of a comprehensive dashboard for tracking member attendance and revenue using modern full-stack technologies, which significantly reduced administrative workload and established a scalable technical foundation for future business growth.

### DES 2024 - MAY 2025

TRADE ATTACHÉ OF INDONESIAN EMBASSY IN CANBERRA, AUSTRALIA

#### Teaching Factory & Freelance Fullstack Web Developer

Successfully developed and maintained the "Taste of Indonesia" by leveraging Laravel to create a responsive and dynamic user interface. Collaborated closely with the trade attaché team to digitize information systems, optimizing backend performance for faster access and implementing secure data protocols to support efficient information sharing between nations.
